

Chapter 8

What Your Sign's PLIGHT Means to You

PLIGHT

Astrology uses the words: “masculine” and “feminine” to describe the state of being that I refer to as “plight.” A plight of “masculine” or “feminine” does not necessarily define your virility or femininity.

AIR signs: Gemini, Libra, Aquarius

FIRE signs: Aries, Leo, Sagittarius

...are **proactive** and provoking; therefore, their *plight* is “**masculine.**”

Because their temperaments are aggressive and active, they are “**electric.**”

Masculine signs are typically spontaneous and self-expressive.

EARTH signs: Taurus, Virgo, Capricorn

WATER signs: Cancer, Scorpio, Pisces

...are **reactive** when provoked; therefore, their *plight* is “**feminine.**”

Because their temperaments are non-aggressive, they are “**magnetic.**”

Feminine signs are typically withdrawn and passive.

EXAMPLE

YOU DILUTED <-----> YOU CONCENTRATED

if you are Aries sun or moon or rising	then you are <i>also</i> Libra-concentrated sun or moon or rising
if you are Taurus sun or moon or rising	then you are <i>also</i> Scorpio-concentrated sun or moon or rising
if you are Gemini sun or moon or rising	then you are <i>also</i> Sagittarius-concentrated sun or moon or rising
if you are Cancer sun or moon or rising	then you are <i>also</i> Capricorn-concentrated sun or moon or rising
if you are Leo sun or moon or rising	then you are <i>also</i> Aquarius-concentrated sun or moon or rising
if you are Virgo sun or moon or rising	then you are <i>also</i> Pisces-concentrated sun or moon or rising

IN SHORT:

(water sign)<--Cancer sun	is	Capricorn concentrated-->(earth sign)
(earth sign)<--Taurus moon	is	Scorpio concentrated-->(water sign)
(earth sign)<--Virgo rising	is	Pisces concentrated-->(water sign)

(So, this person is: Cancer+Capricorn sun | Taurus+Scorpio moon | Virgo+Pisces rising)

This person is a total of 3 feminine + 3 masculine which mean:

BALANCED IN FEMININE + MASCULINE PLIGHT (see page 120 for results)
